

NEW MEMBERSHIP CRUISE NIGHTS

Please join the members of the Northern Illinois Street Rod Association in a night of cool cars, pizza and some great discussions! We're looking to grow our organization this year and would welcome you with open arms to our special Cruise Nights!

Despite the unique name, our Club welcomes all makes, models and styles of vintage cars and trucks. If it happens to have some customization... great! But we're a group of men and women who enjoy spending time with their cars and families.

We meet at Nick's Pizza and Pub on the first Monday night of every month at 6:00 for an informal dinner and a business meeting at 7:00. We will treat you to some of Nick's awesome pizza and look forward to swapping stories about our cars.

The next planned "New Membership & Cruise Night" is scheduled for Monday, May 6th. Other dates will be posted on our Club website.
